LOCAL RECORD CHECK

The Yuma County Sheriff's Office (YCSO) will conduct a criminal history record check upon request. You can only request a criminal history record check on yourself and it will only include contact you have had with the YCSO within the last ten years, unless otherwise requested. For other local agencies, you must contact each agency separately.

If you are submitting your request via U.S. mail, you must include a notarized copy of your picture identification and original signature along with the Local Record Check form. **See the backside of this form for detailed information regarding the YCSO Proof of Identification Requirements**

Mail completed Local Record Check form and proof of identification to: **Yuma County Sheriff's Office, ATTN: Records Department, 141 S. 3rd Avenue, Yuma, AZ 85364** (You must include a self-addressed stamped envelope).

Letter of No Record/Incarceration: If you require a certified "Letter of No Record" or "Letter of Incarceration", please indicate this by checking the appropriate box on the form.

Please allow **3 business days** for the request to be processed. There is no charge for the record check or the certified letter of no record. The record check and/or letter of no record requested will only be kept on file for two (2) weeks from the date of request.

Proof of Identification Requirements

All Yuma County Sheriff's Office (YCSO) Local Record Check forms submitted for processing via U.S. mail or electronic mail **must** include a **notarized** copy of the applicant's picture identification **and** their original signature (see SAMPLE A). **Forms received without the required proof of identification will be returned to the applicant without processing.**

NOTE: The following information is derived from the Arizona Notary Public Reference Manual published by the Department of State, Office of the Secretary of State (October 2019) and is provided as a courtesy.

Copy Certifications A.R.S. § 41-311(3)

DEFINITION: A copy certification is a notarial act in which the notary certifies that a photocopy of an original document was made that is neither a public record nor publicly recordable. **The notary must have access to a copy machine and cannot use a photocopy provided by the requestor.**

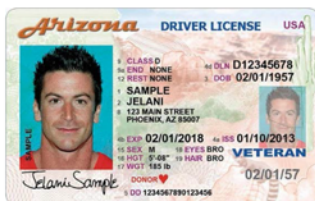

Copy Certification Checklist

- If the notary does not have access to a copy machine the notary must not perform the copy certification.
- If the notary has access to a copy machine, they must verify the document presented is an original document. A copy certification cannot be performed on copies of a document or a certified copy. If the document presented is not an original, the notary must refuse the copy certification.
- The notary confirms that the original document presented is not a public record nor is it publicly recordable. If the document presented is a public record or is publicly recordable, the notary must refuse the notarization as a copy certification.
- The notary fills out the journal with the requestor's satisfactory evidence presented.
- If a credible person is used, he or she must be placed under oath and swear or affirm that the signer has the identity claimed.
- The requestor signs the notary's journal.
- If a credible person is used, the credible person also signs the notary journal.
- The notary copies the document.
- The notary writes or types, on the face of each copy, the notarial language from the **SAMPLE A** below.
- The notary completes the notarial certificates.
- The notary signs the notarial certificates.
- The notary affixes his or her notary seal. The seal generally is affixed to the left of the signature [A.R.S. § 41-311(3)].
- If an attach certificate is necessary, see **SAMPLE B** below for required elements and example.
