## Level 2 Sex Offender Notification Miguel Angel Guillen

**New Address: 386 S. May Avenue – Yuma, AZ 85364**

*The Yuma County Sheriff's Office (YCSO) is releasing the following information pursuant to A.R.S. 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication is living within Yuma County. It is the responsibility of the Chief Law Enforcement Office having jurisdiction where the offender resides to make notification to the community. Notification must be made when certain sex offenders are released from the Arizona State Prison, accepted under an interstate compact or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community), and Level Three (high risk to the community).*

The individual who appears on this notification, **Miguel Angel Guillen**, 59, has been convicted of a sex offense which allows for community notification. Miguel Guillen has advised the YCSO that he is residing at 386 S. May Avenue in Yuma, Arizona. He is described as 6 feet tall, 168 pounds, with brown hair and brown eyes. He is not wanted by the Yuma County Sheriff's Office at this time.

On May 27, 2014, Guillen pled guilty in the Yuma County Superior Court to 2 counts of Sexual Abuse—a dangerous crime against children. The victim was a 16 year old female who was known to him. Guillen was sentenced to 5 years in the Arizona Department of Corrections with 301 days credit for time served.

Guillen is considered a Level 2 sex offender with a medium risk to re-offend.

This notification is not intended to increase fear; rather, it is our belief that an informed community is a safer community. The YCSO has no legal authority to direct where a sex offender may or may not live. Unless court ordered restrictions exist, this offender is constitutionally free to live wherever he/she chooses. Citizen abuse of this information to threaten, intimidate, or harass sex offenders will not be tolerated. Sex Offenders have always lived in our communities; but because of Megan's law, law enforcement is now able to share this information with you.
