Level 2 Sex Offender Notification Angel Narvaez

New Address: 515 W. Orchid Street – Somerton, AZ 85350

The Yuma County Sheriff's Office (YCSO) is releasing the following information pursuant to A.R.S. 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication is living within Yuma County. It is the responsibility of the Chief Law Enforcement Office having jurisdiction where the offender resides to make notification to the community. Notification must be made when certain sex offenders are released from the Arizona State Prison, accepted under an interstate compact or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community), and Level Three (high risk to the community).

The individual who appears on this notification, **Angel Narvaez**, 28, has been convicted of a sex offense that allows for community notification. Angel Narvaez has advised the YCSO that he is residing at 515 W. Orchid Street, in Somerton, Arizona. He is described as 6 feet, 4 inches tall, 251 pounds, with black hair and brown eyes. He is not wanted by the Yuma County Sheriff's Office at this time.

On April 7, 2016, Narvaez entered into a plea agreement in the Yuma County Superior Court on one count of Attempted Sexual Exploitation of a Minor, and one count of Luring a Minor for Sexual Exploitation. The victim was a 12-year-old female. He was sentenced to seven years in the Arizona Department of Corrections with credit for 315 days. Narvaez is currently on supervised probation for ten years.

Angel Narvaez is considered a Level 2 sex offender with a medium risk to reoffend.

This notification is not intended to increase fear; rather, it is our belief that an informed community is a safer community. The YCSO has no legal authority to direct where a sex offender may or may not live. Unless court ordered restrictions exist, this offender is constitutionally free to live wherever he/she chooses. Citizen abuses of this information to threaten, intimidate, or harass sex offenders will not be tolerated. Sex Offenders have always lived in our communities; but because of Megan's law, law enforcement is now able to share this information with you.
