The Yuma County Sheriff's Office (YCSO) is releasing the following information pursuant to A.R.S. 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication is living within Yuma County. It is the responsibility of the Chief Law Enforcement Office having jurisdiction where the offender resides to make notifications to the community. Notification must be made when certain sex offenders are released from the Arizona State Prison, accepted under an interstate compact or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community), and Level Three (high risk to the community).

The individual who appears on this notification, **Napoleon Guillory, 57**, has been convicted of a sex offense that allows for community notification. Napoleon Guillory has advised the YCSO that he is residing at 10646 S. Via Salida in Yuma, Arizona. He is described as 5 feet 8 inches tall, 200 pounds, with blonde hair and blue eyes. He is not wanted by the Yuma County Sheriff's Office at this time.

On December 04, 1998, Guillory was found guilty of one count of Sexual Battery in the San Bernardino County Superior Court in San Bernardino, California. He was sentenced to serve 270 days at the San Bernardino County jail, with credit for 191 days served prior to sentencing, followed by five years of supervised probation. His victim was a female juvenile known to him.

Napoleon Guillory is considered a Level 1 sex offender with a low risk to reoffend.

This notification is not intended to increase fear; rather, it is our belief that an informed community is a safer community. The YCSO has no legal authority to direct where a sex offender may or may not live. Unless court ordered restrictions exist, this offender is constitutionally free to live wherever he/she chooses. Citizen abuses of this information to threaten, intimidate, or harass sex offenders will not be tolerated. Sex Offenders have always lived in our communities; but because of Megan's law, law enforcement is now able to share this information with you.
